

October

The Briefing

from hardie grant publishing

Draft cover

Dear Booksellers,

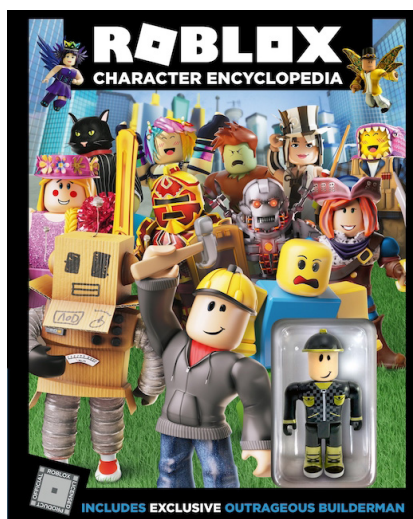

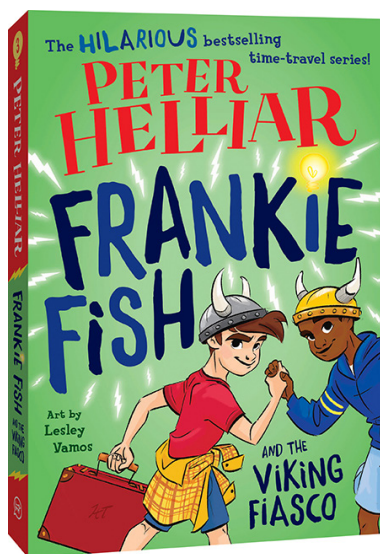

October is set to be an incredible month this year with more titles than we can count!

Getting ready for Christmas, we have some brilliant cookbooks ready to make their debut in your kitchen. Darren Purchase's *Chefs Host Christmas too* - the second book in the fabulous *Chef's... Too* series - is here to put our minds at ease for the feasting season. The girls from *Smith & Daughters* are also back with their new book, *Smith Deli-cious*, featuring food from their Melbourne gem of a deli (that happens to be vegan).

Megan Hess and her internationally renowned illustrations are back with *Iconic: The Masters of Italian Fashion*, exploring ten of the best-known and most-loved Italian designers: Versace, Dolce & Gabbana, Fendi, Valentino, Pucci, Prada, Miu Miu, Missoni, Gucci and Armani. Don't miss her stationery range too - perfect for anyone ready to bring flair to their day-to-day routine.

Just when Hardie Grant Egmont thought *Frankie Fish* had everything under control, it all comes crashing down in the third adventure of the hilarious and best-selling series, *Frankie Fish and the Viking Fiasco!* Michael Grant is ready to take readers on a rollercoaster once again with *Villain*. The plot twists alone will leave readers 15+ scrambling for more! Lastly we are excited to introduce Roblox, the largest user-generated online gaming platform with 2 blockbuster releases including an EXCLUSIVE FIGURINE that isn't available anywhere else!
