## AUGUST

Ю

'Others have described some of these campaigns, but never in such unsettling detail. This book will change forever how we understand our history.'

Dear Booksellers,

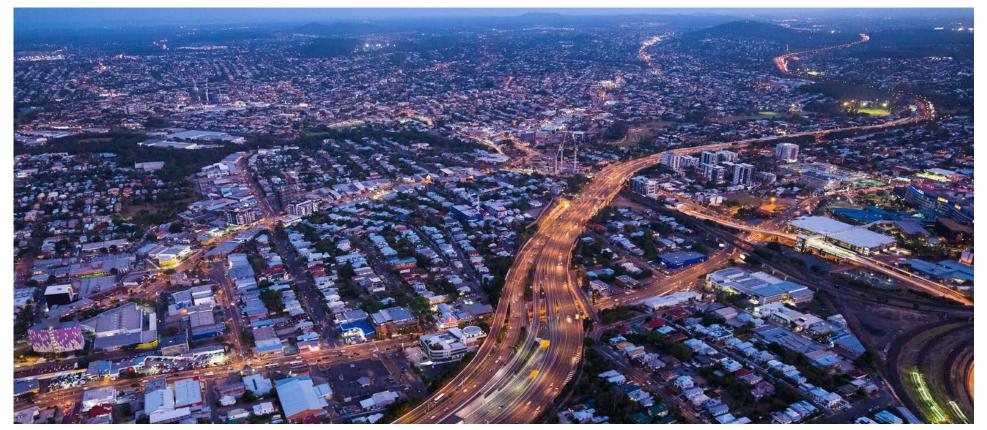

Kawaii Cakes

Welcome to August! **The Vandemonium War** is set to start a very public conversation this month, as *1787* author and historian Nick Brodie tells the first full account of the British government's sanctioned destruction of Tasmania's tribes. Nick continues to be one of the most vital new voices in Australian history, and we are very excited to present his most extraordinary book to date. *The Sydney Morning Herald* has already touted **The Vandemonium War** as 'the outstanding history title for 2017'.

Fresh from our friends in London, we also have the very cute **Kawaii Cakes**, taking the baking world by storm! *Kawaii* is the 'quality of cuteness' in Japanese culture – and it is quickly becoming a global phenomenon. You only have to take one look at these miniature cloud cookies to understand why.

Finally, Nick Rains is back, with his breathtaking new book **Aerial Australia**, which captures the beauty of the Australia we know and love from a whole new perspective.

Aerial Australia

## Featuring: Nick Rains Mike McEnearney Nick Brodie James Halliday Cally Black Jason Grant
