The Briefing

from hardie grant publishing

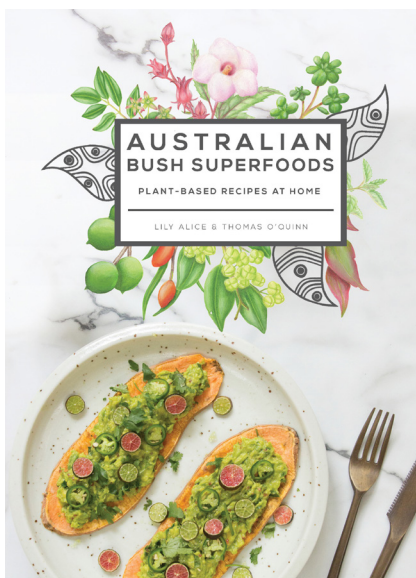

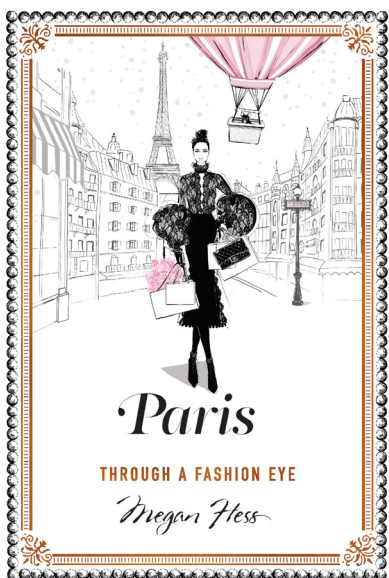

Dear Booksellers,

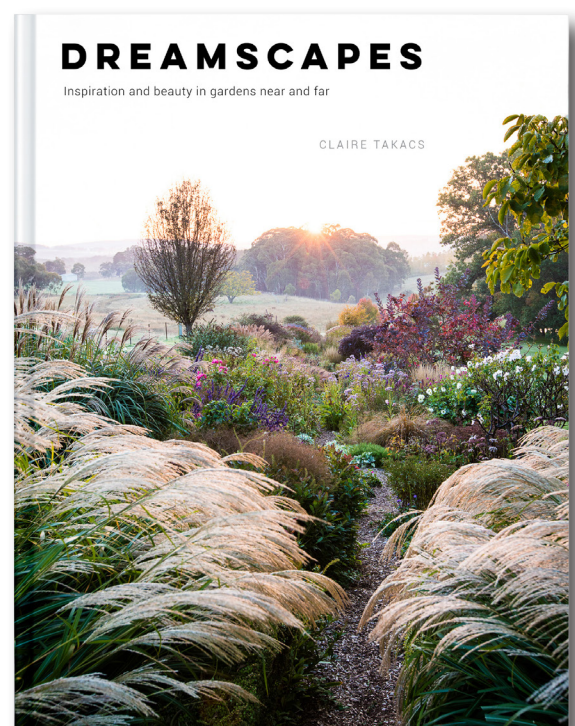

This month we are hugely excited to show you Megan Hess's stunning new title – **Paris: Through a Fashion Eye**. Tour the City of Lights with the world's best known fashion illustrator! With gilt edge pages and a foil finish, this might be the most beautiful book from Megan yet.

Australian Bush Superfoods is a modern celebration of Australia's culinary bounty, featuring 40 of Australia's most beneficial bush superfoods. Then, fresh from London we have **Andina**, the first ever book to capture the food and scenery of the Peruvian Andes and the spirit of its people and traditions.

Finally, we are bringing you **Dreamscapes** – a breathtaking collection of over fifty of the world's most beautiful gardens, photographed by internationally renowned and awarded photographer Claire Takacs.

💖 HG

Featuring: **Monty Python** **Megan Hess**
