

The Briefing

October 2019

Featuring: Dustin Martin George Calombaris
Megan Hess Alison Roman Davina Bell

DRAFT COVER

Dear Booksellers,

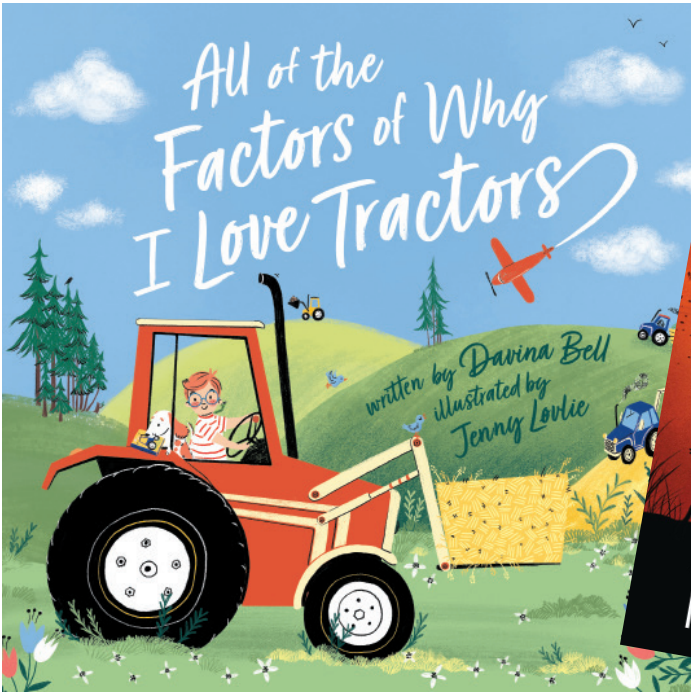

October is here and with it comes an amazing lineup of showstopping titles from Hardie Grant!

The legendary Dustin Martin takes us through his stellar career in footy in *Dustin Martin: My Story So Far...* featuring never before published photos of his early life and behind-the-scenes moments. Coinciding with the end of the AFL season and to celebrate Dusty's amazing career to date, this will be a must have, must give, must read for all footy fans.

If this wasn't enough, Australia's favourite celebrity chef, George Calombaris shares the ultimate collection of recipes, inspiration and a whole lot of love, with *Just George*. Megan Hess is back with the best in French fashion in *Elegance* and Thomas Mayor provides unique and thoughtful insights into the important place Indigenous people have in our country in *Finding the Heart of the Nation*.

Hardie Grant Egmont has tractor fever this month, brought on by Davina Bell's stunning new picture book, *All the Factors of Why I Love Tractors*. The irresistible rhyming text is sure to charm and amuse the whole family. Kids 12 plus prepare yourself for the epic conclusion to the cult phenomenon to the Gone saga in *Hero*; it's been four years after the Perdido Beach dome went down and the alien virus that created it is still wreaking havoc, and the Rockborn Gang will have to make some tough decisions if they want to save the world.
