

April

The Briefing

from hardie grant publishing

Dear Booksellers,

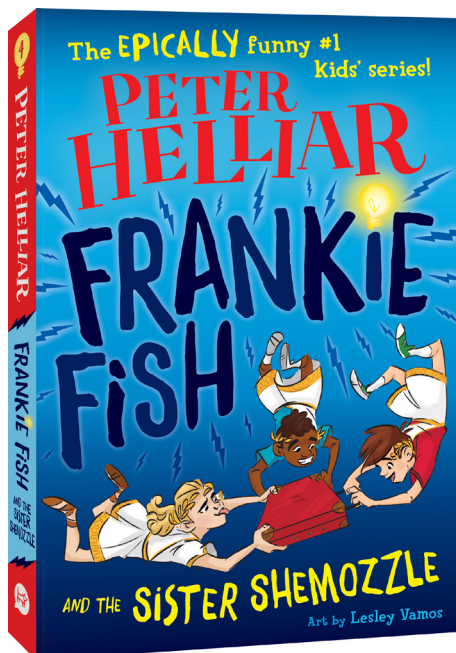

April is a simply delicious month for Hardie Grant Books.

The highly anticipated *Sugar Rebels* is finally here, featuring a spectacular lineup of desserts from cupcakes to macarons to cakes. Nick Makrides of The Scran Line will not disappoint his millions of fans with these showstoppers!

Darren Purchase also features in April with the latest addition to his Chefs Eat... Too series, with *Chefs Eat Breakfast Too*. The next installment of the Green Kitchen collection is also here with *Little Green Kitchen*, helping parents to make simple, veggie-packed, colourful and kid-friendly meals that the whole family can enjoy.

Hardie Grant Egmont is celebrating because the fourth Frankie Fish adventure is finally here! In *Frankie Fish and the Sister Shemozzle*, Frankie and Drew are BACK and facing their trickiest hurdle yet involving an older, sister, ancient Greece and time travelling trouble. Australia's favourite comedian returns with the funniest, twistiest time-travel tale yet! Also out this month is the second adventure in the THRILLING feminist trilogy, *Ottilie Colter and the Master of Monsters*. Ottilie was the first girl ever to join the secret hunt, and she's determined to not be the last! Join Ottilie on this gripping adventure about friendship, monsters and having the courage to be a rebel. Be a lion, not a mouse!

- HG
