# The Briefing

from hardie grant publishing

Dear Booksellers,

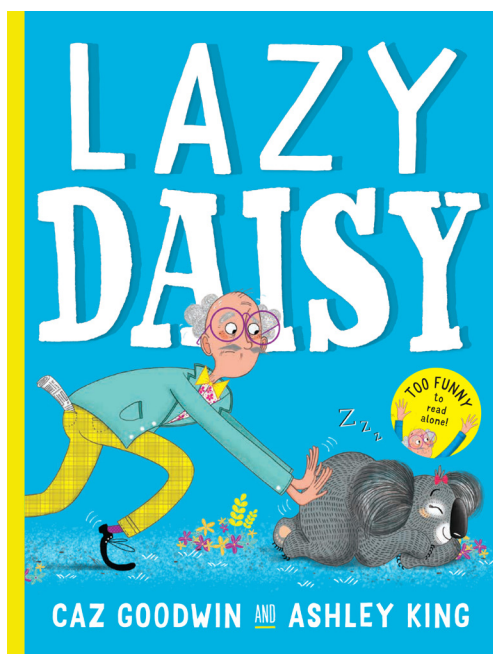

We have a gorgeous month on our hands that we just can't wait to share with you.

Annabelle Hickson presents *A Tree in the House*, showing readers that flower arranging - even the magnificent and enormous kind - can be accessible and affordable through all occasions. Emiko Davies is back with new tales and recipes from her Italian family in Florence with the stunning, *Tortellini at Midnight*.

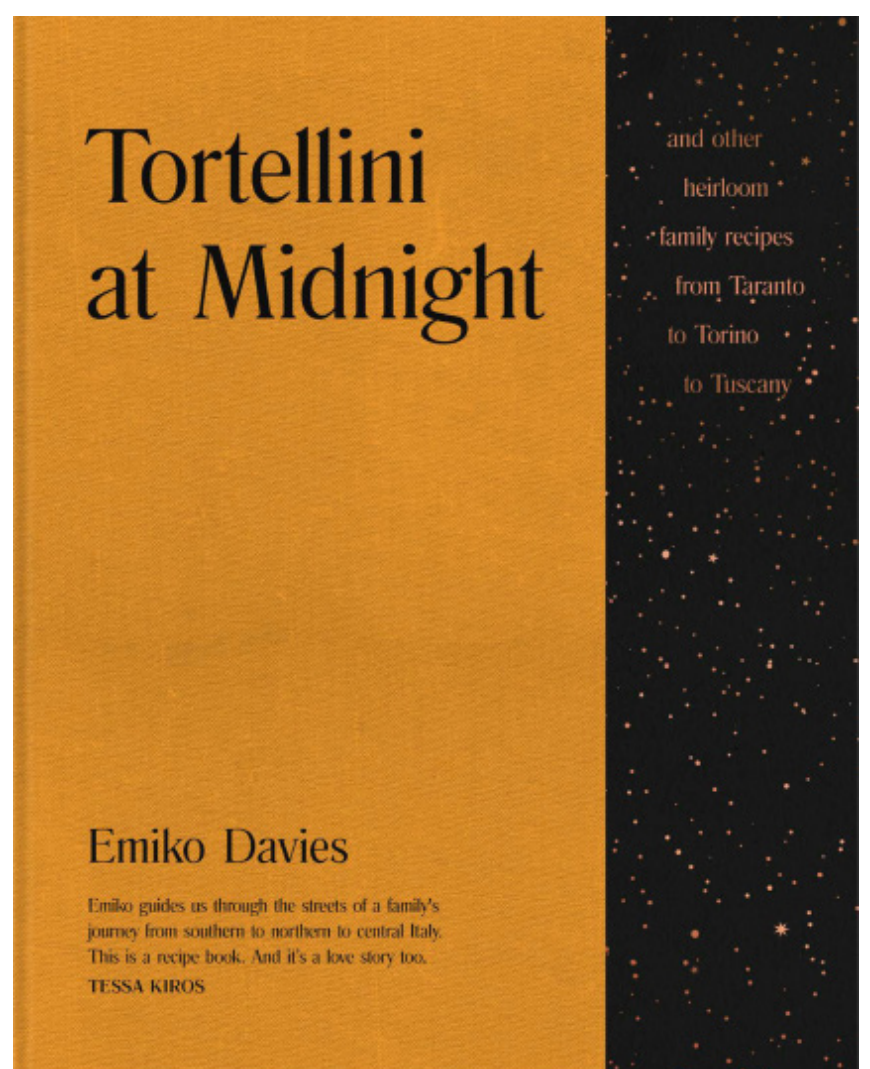

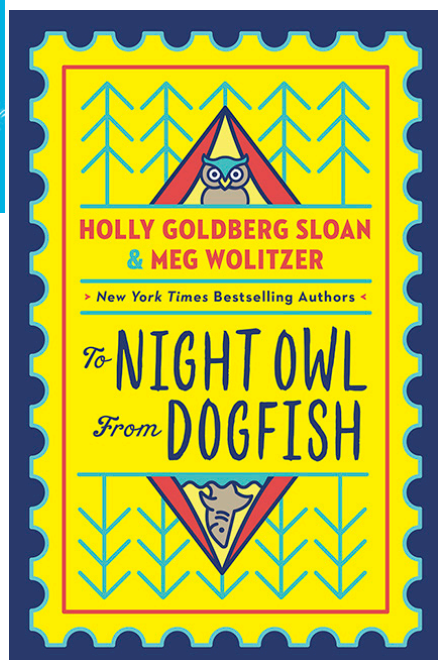

Everyone's favourite authority on travel, Catriona Rowntree, takes on Australia's booming travel market with her cruising guide, *The Best of World Cruising*, while Nicole Jacobs from *The Block* walks us through buying and selling a home with real confidence in *Sold!*.

Hardie Grant Egmont is excited to introduce a brand new hilarious picture book series to the world this month, *Lazy Daisy*. A rhyming tale about Jasper, his love for puppy dogs and walks in the park and what happens when all his dreams come true with daisy the dog-or koala? It'll have kids doubled over with laughter from the very first page! We're also releasing a very warm-hearted, tender and funny novel on the 18th of February, *To Night Owl, from Dogfish*. Told almost entirely through emails, this modern day reserve parent-trap story explores the true meaning of family from two beloved authors.
