

The Briefing

December 2020

Featuring: Bruce Pascoe, Meredith Gaston
James Halliday, Rachael Sarra, Laura Blythman

DRAFT COVER

Dear Booksellers,

We are delighted to share with you some very exciting titles to cap off the year.

Acclaimed author Bruce Pascoe and photographer Vicky Shukuroglou bring us *Loving Country*, a fully illustrated book that offers a deeper understanding of Australia and how best to travel and appreciate the heart of the country. While readers are encouraged to discover the sacred country of Australia in an open-minded and sensitive manner, the intention of this book is to foster communication and understanding between all peoples and country, to bring about a range of environmental and social changes.

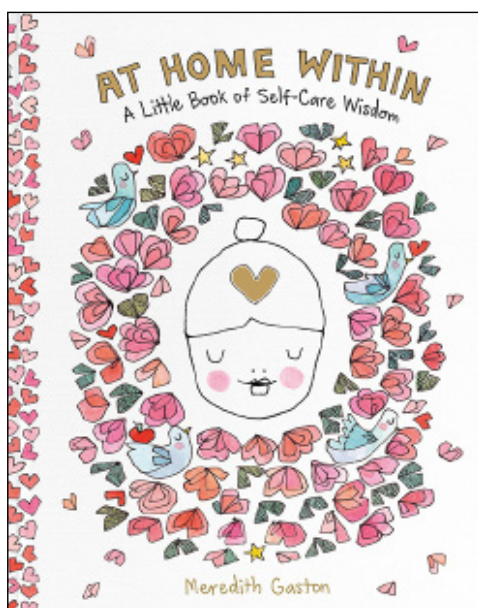

The beloved Meredith Gaston returns this month with *At Home Within*, a little book to cultivating the art of self-care and nurturing. And our favourite James Halliday is back for the second time this year with the *Halliday Pocket Wine Companion 2021*, a compact guide to the country's key wine regions by both value and ratings.

Take your gifting to the next level this December with Hardie Grant Egmont's gorgeous new stationery books, from our *All Wrapped Up* series. Be inspired by the modern Indigenous art from *Spirit* by Rachael Sarra, see a unique perspective on the natural world with *Dreamscapes* by Laura Blythman, and find your mindfulness through nature's beauty with *Colour Your Way: Botanicals* by Edith Rewa. This series has something for everyone!
