# The Briefing

from hardie grant publishing

Dear Booksellers,

January has ticked over once again!

To help you bring in the new year we have a number of titles to inspire, motivate and invigorate, starting with the Pocket Coach series. Address your new year's resolutions head on, as Dr Sarah Jane Arnold helps you consider everything from sleep to confidence with these beautifully accessible books.

Book five of the very popular series, 8-bit Warrior, is also here just in time for the school year. *Quest Mode* picks up where our hero, Runt, left off as he tries to say so long to the inner 'noob'.

Hardie Grant Egmont has lost their llamas this month. So Alpaca your bags and join some cheeky globe-trotting llamas and their cacti buddies in *Where's the Llama? A Hide and Seek Adventure*. This hilarious search-and-find adventure is full of jam-packed scenes, fun artwork, exotic locations, quirky characters and llama puns galore! It's the perfect school holiday activity book for kids 5+.
