

The Briefing

March 2021

Featuring: Ailsa Wild, Katrina Meynink
Doron Francis, Megan Hess, Sally Rippin

Dear Booksellers,

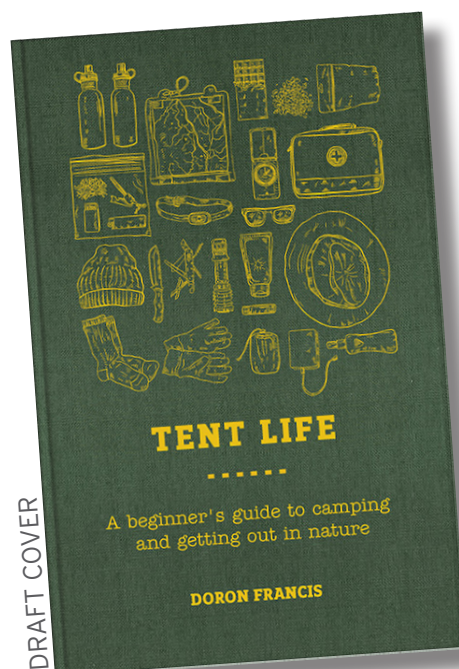

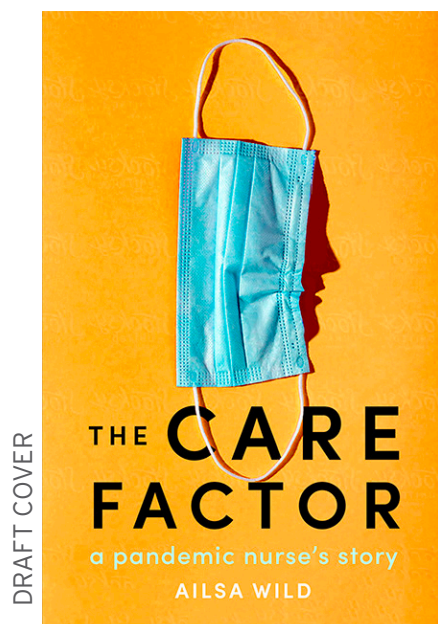

This March is packed with beautiful and bold titles.

In *Slow Victories*, Katrina Meynink brings fresh and exciting recipes to the indispensable kitchen appliance: the slow cooker. Because it's not about getting out of the kitchen, it's about using your time there for maximum creativity and flavour. As well, *Tent Life* is your pocket-sized guide arriving just in time for you to kickstart your new outdoor lifestyle and inspire you to get out into nature.

Ailsa Wild looks at the year that's been and the blows of the coronavirus pandemic in *The Care Factor*; the story of one incredible Melbourne nurse - one among many - who chose to meet an unprecedented global health crisis on the frontline.

From two superstar authors come two blockbuster new titles! Sally Rippin kicks off the *School of Monsters* this month, introducing a brand new series for early readers. The fun, full-colour books are sure to delight a new generation of children, with more titles in the series to come in August. Meanwhile, Megan Hess says bonjour to *Oli & Basil: The Dashing Frogs of Travel*! Fans of *Claris* will recognise these clever frogs and can now follow them on this heart-warming adventure about the joys of newfound friendship.
