

The Briefing

August 2020

Featuring: James Halliday, Michael Pembroke,
William Watt, Robert Dessaix, Philip Bunting

Dear Booksellers,

This August, Hardie Grant sees the return of some classic names as well as some exciting new ones.

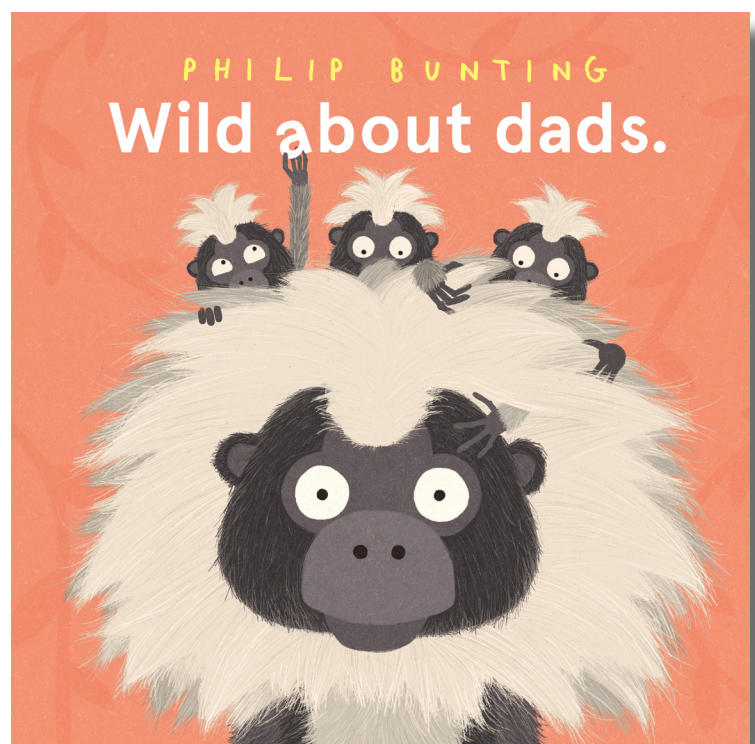

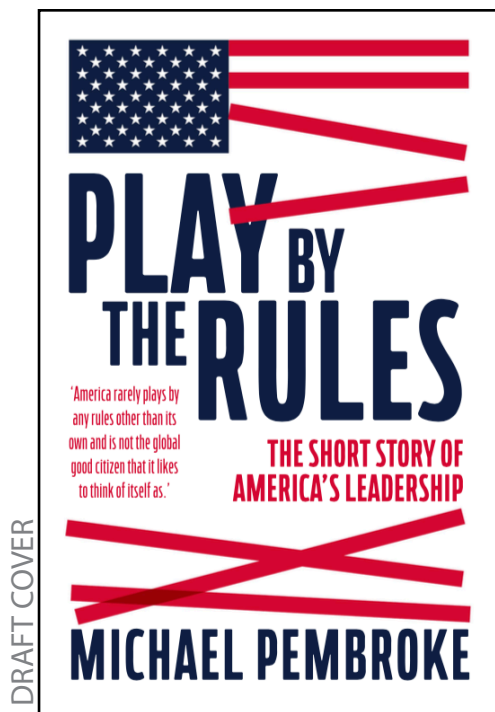

It's that time of year again, James Halliday is back to share his extensive knowledge of wine as he guides us through the best wineries and vintages of key regions across Australia. Don't miss the latest edition of the *Halliday Wine Companion 2021*!

If you were struggling to think of the perfect gift for Father's day, we have you covered. *Lofted* is like no other golf book before, as it traverses the world in search of authentic golfing experiences.

And acclaimed writer and historian, Michael Pembroke returns once more with his fresh insight as he takes a hard look at the role of the United States and questions whether it is still a force for good.

Hardie Grant Egmont is celebrating dad's this month, dads of all shapes, sizes and species. Get ready to learn a fatherly trick (or ten) from a whole lot of dads, great and small, in Phillip Bunting's *Wild About Dads*.
