The Briefing

from hardie grant publishing

DRAFT COVER

Dear Booksellers,

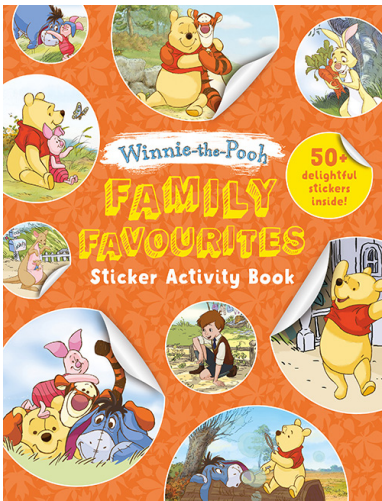

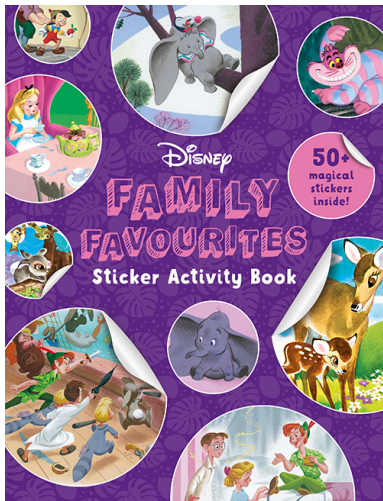

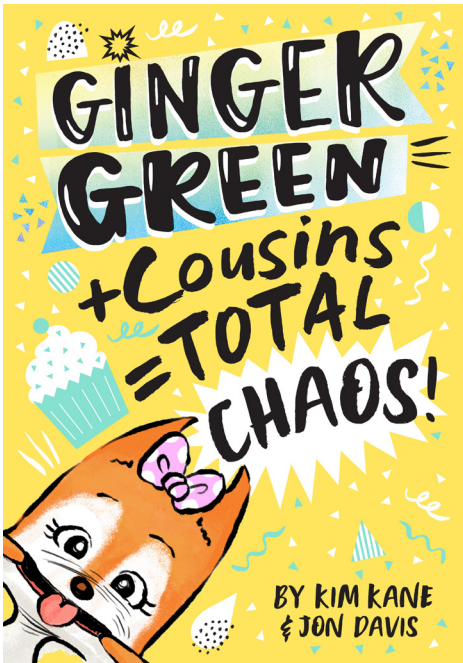

There’s still time left to savour the end of summer, and what better way to do it than with our gorgeous list?

After the big success of *The Beauty Chef*, Carla Oates takes us deeper into the science behind a healthy belly and shows us how to achieve just that with her stunning 28-day guide - perfect for February.

The highly anticipated work of Ginger Gorman, *Troll Hunting*, is finally here as well, as the journalist investigates and embeds herself in the dark and surprising world of online trolls and predators.

Hardie Grant Egmont is bursting with excitement about all the new sequels we have coming out in February, *Ginger Green + Cousins = Total Chaos!* And *Lily D V.A.P.: Sweet Juliet*. These are the perfect series for independent readers looking for a new challenge. Also in February, we have 2 *Family favourites* *Sticker Activity books*! Packed to the brim with everyone’s favourite Disney characters and the world’s favourite hunny loving bear, these books are sure to entertain little ones for hours and hours!
