Iconic Watches Puzzle

Matt Hranek

Iconic Watches. Some are heirlooms, connecting generations. Some are gifts, marking a milestone. And some are simply works of beauty, to be treasured for their aesthetics, value, and precision. But every watch, whether as priceless as Paul Newman's Rolex Daytona or as common as a Casio G-Shock, tells a story. In this puzzle, the stories arrive piece by piece, and gradually unite in a celebration of 77 watches.

John Derian Paper Goods: Calm Cat Puzzle

John Derian

John Derian is an artist and designer whose work with printed images from the past transports the viewer to another world. In *Calm Cat*, get lost in the mesmerizing gaze of its regal subject, perched on a silk cushion like an artist's model and utterly indifferent to the two going at each other in the background, backs and tails raised in an attitude familiar to every cat lover. Adapted from a nineteenth-century print, the image has the delight and mystery of a scene half remembered from an old children's book.
